

McGrory Glass, Inc.

FIRE-RATED GLAZING PRESENTATION

TECHNICAL GLASS PRODUCTS / McGRORY GLASS, INC.

Presentation Information

AIA/CES Registered discussion of fire codes and fire-rated glazing. Technical Glass Products is the exclusive United States distributor of the FireLite and Pyrostop line of fire-rated glazing products and systems.

Topics to be covered:

- * *Review of code changes and recent product developments. -
Wire glass has lost its 25 year exemption*
- * *Liability Issues: Avoiding costly mistakes when specifying,
approving or installing fire-rated glazing materials.*
- * *Sprinklers: How do they affect glass during a fire?*
- * *Determining the appropriate use of 20 minute products in a
60 minute corridor.*
- * *The Fire-Rated Glazing Arena: More changes in the past 5
years than the previous 100.*
- * *Question and answer session for participants to discuss
specific issues and applications.*
- * *New developments in fire-rated framing options.*

WOOD DOORS AND FRAMES - STEEL CURTAILWALL - STAIRS TREADS

- * **This program is registered with the AIA/CES for 1.0 Learning unit hours and qualifies for 1.0 Health/Safety and Welfare credits.**
